

INDUSTRIAL KIT

COOLSHIRT Systems® introduces its Industrial Kit.

This complete kit comes with the Portable 6qt MOBILECOOL ice based cooling system, a black cotton COOLSHIRT, a rechargeable 7 hr. lithium battery with charger, a 4 ft. insulated hose, our endurance ice, and maintenance solution

The garment covers 30-40% of the body with cold water circulating through tubing designed to dissipate heat away from the body, in-turn, cooling the core. The perfect solution for any industrial worker in a hot environment, you'll reduce fatigue, improves focus, performance and most importantly-SAFETY.
